DETAILED ACTION

Claim Objections

Claim 20 is objected to because of the following informalities: Applicant presents two claim 20's (see second claim 20 at last recited claim). One of these claims must be renumbered. Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 6-24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 6 recites the limitation "this air conditioning duct" in lines 11 and 12 of the claim. There is insufficient antecedent basis for this limitation in the claim. Further, the claim earlier recites there being at least two air conditioning ducts (lines 5-6). Accordingly, it is unclear as to which duct "this air conditioning duct" refers. Correction and/or clarification are required.

Allowable Subject Matter

Claims 1-24 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph as well as the claim objections, set forth in this Office action.
